THANK YOU TO OUR PRIZE PARTNERS

Fundraising Tips

Tell Your Story

Personalize your profile page with a photo and share why you participate in Pedal the Cause. It makes a BIG difference!

Ask Everyone

Ask grandparents, aunts, uncles, neighbors, parents' coworkers, parents of your friends, doctor, dentist, coach, piano teacher to sponsor you for every lap you ride or run/walk! Have your parents share your fundraising efforts through email, handwritten letters and social media. Create a short video or photo collage to share why you participate in Kids Challenge and ask for donations – post it onto your Pedal the Cause fundraising page and social media!

Get Your School Involved

Host a Penny Wars (each classroom has a jar for spare change and classes compete to raise the most money), Pajama Day, school assembly/pep rally. Pedal the Cause would LOVE to visit your school in person or virtually!

Host a FUNdraiser

Try a lemonade stand or popsicle stand, a bake sale, a movie night, a closet cleaning sale, a game night, rubber duck race, a pool party, scavenger hunt, dog walking, cutting grass, do some extra chores around the house, or a ticketed family-friendly party (ask your favorite venue to donate space).

Dinner for a Cause

Where is your favorite place to eat? Ask them if they will donate a part of their sales for a day to help cure cancer.

Say Thank You!

Show your appreciation to donors with a thank-you card, drawing or video message!
